Although this application has received a final action under 37 C.F.R. § 1.113, all of these documents were cited during prosecution of published U.S. application No. 2001-7274, over which the Examiner has entered a double patenting rejection in this case. Accordingly, these documents are merely being cited for completeness.

The Examiner is urged to study this information in its entirety and to form an independent determination of the materiality of the information to the claimed invention. Additionally, the Examiner is requested to indicate that this information has been considered by initialling the appropriate portion of Form PTO-1449.

Applicants' undersigned attorney may be reached in our Costa Mesa office by telephone at (714) 540-8700. All correspondence should be directed to our new address given below.

Respectfully submitted,
